INTERIM HEAD COACH DEAN BRENNAN

Thanks for joining me once again, Dean. On Saturday we host Halifax Town back at The Hive London. After getting three points last weekend, how are you feeling ahead of the match?

"We are looking forward to the match after having a good week in training.

"Our focus from Thursday and Friday is on the opposition and the players attitude has been excellent."

What are we expecting from Halifax as they are currently sitting 5th in the table?

"They are a good side and I have watched a number of their games so far this season. They do not make many individual errors and have scored some fantastic goals.

"All of the players know their roles within the team and Peter has got them playing some really good attacking football.

"Halifax have also been very consistent in their selections over the last four matches. We are expecting a really tough test and there are no easy games in this division."

Having scored three goals and won three points last weekend, are we now looking to build some momentum going forwards?

"No we are taking each game as it comes. Last weekend's win is gone and was forgotten about on Monday morning.

The logo features the New Balance 'NB' symbol in white, with a stylized 'DB' in a larger, bold font directly below it.

"We will try and improve on our performance last week because we can always improve, but our mentality and our attitude is the main thing.

"When you come up against sides like Halifax Town, we have to be at our best. Every small detail is so important.

"I think it will be a really entertaining game as we are both attack-minded teams."

Goals came from three different types of different last Saturday. Is that something that we are looking to bring into this match?

"We will take it if we score one goal and keep a clean sheet.

"Clean sheets are very important as well as sharing the goals throughout the team.

"We have set individual targets for players and if we keep the same mentality and attitude, we will win more than we lose."

The lads have been working hard, as ever, in training this week. How are we looking on the injury front going into this weekend?

"Jamie Turley's recovery is going really well and Joe Widdowson is back training

"David Sesay goes on international duty for Sierra Leone so he will not be available to us and there will be players that will miss out in the squad selection.

"It is important that the players who do miss out keep their positive attitude because

we have got to continue this togetherness within the group.

"This is because it is the only way you bring success to any Club.

Daniel Powell and Adam Marriott played influential roles coming off the bench last Saturday. I am sure that you are hoping to see the same from them against the Shaymen?

"I have got a headache when coming to select the team for the match because we have a really strong squad.

We saw you and the players interacting with the fans at the end of the Weymouth FC match following the win. What impact can they have on the squad as we look to push on?

"It can have a huge impact but we have to give them something to sing about.

"Our job is to make them sing. We have got to play attacking football and make big tackles again.

"The players understand that they have to do it for themselves and their families first and foremost and my job is that we do it for the team and the Club.

"Our supporters were fantastic last week and I am delighted we gave them something to sing about. Hopefully we can do the same again tomorrow."

MITCH BRUNDLE

Halifax Town come to The Hive London on Saturday afternoon. Having scored last weekend against Weymouth FC, I am sure you will be looking to do the same again?

"Of course I am. Halifax are a good side and we have done our preparation on them. We have got to take how we played last weekend, into Saturday's fixture.

"When you get a win under your belt, you want the games to come thick and fast to keep a momentum going

"We are working hard in training and there is a lot of competition for places within the team now.

"We cannot get carried away with our first win because there is still a lot of football to be played."

Last weekend you helped the side to victory by scoring the first goal of the afternoon. Can you talk us through it?

"It was just a set-piece goal. We have worked on them in training and it was a great delivery from Josh Payne.

"Fortunately, it fell to me in the box, I rose highest and managed to get my first goal which I am delighted about.

"I was hoping for it to come a bit sooner but hopefully it will be the first of many to come."

Having got three points and three goals in last weekend's fixture, are we now looking to build some momentum going into this busy schedule?

"Yes of course it is. Halifax will be up towards the top of the table at the end of the season because they set up well and are very intelligent.

"We will be taking every match as it comes, and we are looking forward to hopefully getting another three points this weekend."

How are you feeling personally having had a full week of training going into this match?

"As we did not have a midweek match, it has given us time to practice elements of our game that we wanted to work on.

"We want the games to keep coming our way, but we have to show on Saturday that all of our work in training is worth it.

"We all have to be prepared to go that extra mile out on the pitch because the results really matter."

The supporters were really enjoying themselves towards the end of our previous match. Have you got a message for those that will be in attendance once again?

"Hopefully we can get them off their seats again as last week we scored three goals and gave them something to cheer about.

"They have understandably been disappointed with our start to the season, but we are hoping to see as many people as possible in the stadium.

"We want to make The Hive London a fortress and we can do that by continuing to win football matches and get the fans onboard with us.

"Our supporters spend their hard-earned money to come to the matches, so we need to be sending them home happy."

TODAY'S OPPOSITION

Following the demise of Halifax Town AFC at the end of the 2007-2008 season, a new Club was born and re-formed just in time for the 2008-2009 season. The new Football Club was placed in Level Four of the Non-League pyramid, taking a place in the Northern Premier League Unibond North One and it was called FC Halifax Town.

Time was short and the new Club was faced with appointing a new Manager and bringing a team together from scratch in only five weeks.

Jim Vince, a coach in the Crewe Alexandra Football Academy working closely with Crewe Manager Dario Grady and a former Manager of Witton Albion in the Unibond Premier Division, achieving two consecutive second places in the previous two seasons, was appointed.

Pre-season friendlies were hastily arranged and the first ever game by the Club was played at Tamworth, when 22 trialists made appearances for the Club, trying to catch the eye of the new Manager.

The first ever official game for FC Halifax Town was a home game against Bamber Bridge at the Shay Stadium. For the Halifax fans, it was an emotionally charged game; as they were so relieved to see

their beloved 'Shaymen' play a real game of football again, after all the heartache of previous years.

Over 1,500 fans attended the game, watching a team that barely knew one another. Perhaps with a possible sign of things to come, the Club went in at half-time 0-0, but ended up losing the game 3-0. Not the best of starts!

Disappointingly, the team had a mediocre first season and for whatever reason, Jim Vince struggled to get things going with any real conviction on the pitch, culminating in a far from satisfactory 8th place, even missing out on a Play-Off place. A new Club and striving for stability and continuity, reluctantly the Board had to make a change, with Jim Vince leaving the position prior to the end of the season and player, Nigel Jemson taking the club though to the end of the season.

Players who have gone on to play at a higher level include from that season include, Junior Brown in League Two at Fleetwood Town, Colin Daniel a loanee who is now playing in League Two also with Mansfield Town and Gavin Rothery at Guiseley.

An early appointment was made for the 2009-2010 season, with Neil Aspin joining from Conference North side, Harrogate Town.

Despite dropping two divisions, he was confident of a bright future for the Football Club and was ready for the challenge of moving the club further up the pyramid. A mixture of new recruits, players known to him and some already involved with the Club from the previous season, he set about trying to establish a successful team. As we all know, achieving promotion from any division is a huge challenge and the early pace setters were Lancaster City, scoring goals for fun with striker Jordan Connerton hitting a rich vein of form, gaining him a move to Crewe Alexandra and seemingly winning games, no matter what.

At one stage in the second half of the season, they held a twelve-point lead over the Shaymen, although Halifax had lost a lot of games through postponement due to the weather.

Fighting their way through the backlog, the ultimate period in the second season and the moment at which Halifax moved into pole position in the league was an eventful three match period spread over six days in the final third of the season. The first game was Garforth away on a Thursday night, two minutes to go the Shaymen were losing 3-1. A goal for the Shaymen pulled it back to 3-2. The referee announces four extra minutes and in the 91st minute another goal made it 3-3. Everyone was delighted, equalising so late and hopefully securing an unlikely point out from the game.

What drama was to follow. With the last kick of the game, Richard Marshall thirty yards away from goal, produced an exquisite lob to beat the keeper for a 4-3 win. Despite Lancaster winning on the same night, they were told the Shaymen had lost, so what a shock when they got back on their coach, only to find Halifax had won so late in the game. A real night of drama!

Our next home game on the Saturday? You guessed, Lancaster City at home at the Shay Stadium. In front of over three thousand fans, the afternoon was electric, and Halifax won the game comfortably, 4 nil and taking over the leadership of the division. The following Monday evening was a tough away game at Curzon Ashton who were also in the play-off places and Halifax recorded a stunning 5 nil away win. From then on, momentum carried the team to its first promotion as Champions, with 100 points and over 100 goals. A step up to the newly sponsored EvoStik Premier division. With some more astute signings and the average age of the team being reduced, Halifax tried to emulate the previous season.

Again, the Club achieved promotion and the Championship, with five games to spare, missing the 100 points by just two and again scoring over 100 goals. As in the previous season, the Club just missed out on the 1st Round proper of the FA Cup, losing to Wrexham in 2009-10 to a 97th pile-driver and 2010-11 to a 1 nil defeat against Mansfield Town.

A nice recognition for the Club was goalkeeper Jonathan Hedge being called in to the England 'C' squad as he had also been chosen in the previous season. The only blot on a wonderful season was the emotional loss of Neil's assistant Trevor Storton, who sadly died after a long battle with cancer. He was with the team nearly all the way, passing away just before our promotion was secured. Promotion was a fitting tribute to a wonderful man.

So, 2011-2012 saw the arrival in the Football Conference and the Blue Square Bet North division. Another tough challenge made all the harder with the departure of star striker Jamie Vardy, after only four games of the new season. Jamie moved to then Conference Premier, Fleetwood Town and soon to be Champions, making their

way into the Football League for the first time in their history.

Jamie shortly made a second move to Championship Club, Leicester City becoming the first £1m non-league player. Despite that set-back on the pitch, the Shaymen battled their way to a play-off position, to meet Gainsborough Trinity. In the away first leg, a disastrous start being two nil down in the first twenty minutes and seeing very little of the ball.

Two Lee Gregory goals, one just before half time and one midway through the second half brought the Shaymen back into the tie for the second leg. In front of over three thousand fans in the second leg, Town could not turn their superiority in to goals and lost to a set piece, one nil.

The season was also highlighted by finally achieving the FA Cup First Round Proper and what a draw. League One leaders Charlton Athletic who were to go up as Champions and the game also being chosen for national live TV broadcast. Managing to stay in the game one nil until the 80th minute was very creditable, but once Danny Lowe was harshly sent-off, the team eventually lost 4 nil. Nevertheless, what a great day and profile for the Club.

Understanding the league, a little more, Neil Aspin brought in one or two fresh faces for the 2012-2013 campaign and said 'goodbye' to some good players, who had helped the Club progress so much. This season was the hardest for the Club since reformation, only due to the number of match cancellations, both home and away for a variety of reasons, but mainly the incredible amount of rain. The fixture backlog and numerous re-arrangements took their toll and Halifax would have to do well, playing so many games a week to secure a play-off spot.

This they did in fifth place and faced a local derby against Guiseley in the semis, who were in the play-offs for the third consecutive season. Chester FC had walked away with the Championship. After a 1 all draw at the Shay Stadium, Halifax managed a two-nil deserved win away at Nethermoor, with Gregory and Johnson getting the goals.

So, to the Final and a long trip to Brackley, who in their first season has done tremendously well and it was going to be a difficult tie. In a tight game perhaps dominated by the Shaymen, Lee Gregory scored the only goal of the game to send the fans in to raptures and earn a place in the Conference Premier division, for the first time in their history. A great achievement in five years with three promotions, but everyone involved with the Club knows this will be a tough campaign and despite that, everyone is up for the challenge and look forward to welcoming everyone to Halifax and the Shay Stadium.

The following season FC Halifax Town finished 5th in the Skrill Premier and the play-offs beckoned again, this time with the chance of a Wembley final and promotion to the Football League. However, despite a 1-0 home win over Cambridge United at the Shay, a 2-0 defeat at the Abbey Stadium saw Cambridge head to Wembley.

Last season, Town had a great start to the season and got to the quarter finals of the FA Trophy. However, after defeat to Wrexham in the quarter finals, the season petered out and Town finished in mid table.

Neil Aspin promised several changes over the summer, which he has duly promised. However, just a few games into the season,

Aspin departed the Club having been in charge for over 300 games. Aspin's departure would kickstart the managerial merry-go-round that was to come in the next few years.

Gareth McClelland, Darren Kelly, and Jim Harvey all had spells in charge during the 2015/16 season. The season was to be one of mixed emotions as Town were relegated from the National League. A terrible start to the season was then met by a revival under Harvey but the damage was already done.

Despite the relegation, The Shaymen made it to Wembley for the first time in their history. FC Halifax Town beat Nantwich Town 6-4 on aggregate to reach the final of the FA Trophy. Grimsby Town were the opponents that day and an early second half goal from Scott McManus was enough to give the Town fans their dream day out in the capital as The Shaymen lifted the FA Trophy.

The 2016/17 season saw another manager in charge as Billy Heath took over the coaching duties and was able to guide Town straight back to the National League. Town had finished 3rd in the National League North and were promoted after winning the playoff final against Chorley.

Heath's second season in charge did not get off to a good start as Town languished near the bottom of the league. Eventually, the decision was made to part ways with Billy Heath and Neil Young was given the role of caretaker manager until Jamie Fullarton, was instated on a permanent basis.

Fullarton managed to save The Shaymen from relegation in 2017/18 as they ended up finishing 16th.

In the 2018/19 season, Town had one of the highest clean sheet records but struggled for goals and finished in mid table. However, Jamie Fullarton decided to leave the Club in mid-July and former Oldham boss Pete Wild took charge for the 2019/20 season.

Wild guided The Shaymen to a 6th placed finish after 37 matches - due to the COVID-19 pandemic, the season was cut short in late-March. Halifax played the final televised National League game that season - a 1-0 loss to Ebbsfleet, this would be Town's last game up until the league made the decision to go ahead with the play-offs.

This resulted in Town playing Boreham Wood away in the National League Play-Off eliminator in July - four months after the season ended abruptly. The Shaymen unfortunately lost the match, after going 1-0 up through Tobi Sho-Silva, the Wood came back to win 2-1.

Wild is tasked with another season as the boss at the Shay and has had a summer overhaul ahead of the 2020/21 season. The 2020/21 season was one that started with inconsistency for FC Halifax Town but three consecutive wins in early December ensured that the Shaymen's season got going.

It was an unusual season in that matches were played without supporters in the ground which affected FC Halifax Town as well as a plethora of teams up and down the country.

After the three successive wins, Halifax's form dipped slightly and this could have led to a derailing of the season however, 4 wins in March on the trot meant that the Shaymen were at the upper echelons of the table and harboured ambitions of the play-offs.

These ambitions appeared realistic when after a 4-2 victory at home to Kings Lynn Town, FC Halifax Town sat 5th and in the play off places but inconsistency towards the end of the season plagued them.

They had an outside chance of the play offs on the final day of the season at home to Chesterfield in front of their own fans but unfortunately lost 2-1 and the play off dream was over. The club finished 10th.

But despite that, it still represented a good season for the Shaymen in the oddest of circumstances and let us hope that the Shay is back to full capacity or somewhere near that by August.

Pete Wild, the manager, will take confidence from parts of the season and will look to for the new season, to eradicate the inconsistency from the beginning and end of the season.

Should this happen, a sustained and season-long promotion charge could be a very real possibility.

MANAGER

PETE WILD

Wild has been Halifax manager since the start of the 2019/20 season, and guided 'The Shaymen' to the National League Play-Offs in his first season – Town fell at the first hurdle in the Eliminator Round. He led 'The Shaymen' to a 10th placed finish in the 2020/21 season and signed a new two-year deal at the back end of the campaign. Despite having a good managerial period, Wild was never a professional footballer.

SAM JOHNSON

SIGNED FROM PORT VALE ON A TWO-YEAR DEAL ON 24TH MAY 2017.

The 24-year-old had two previous loan spells with the Shaymen and was part of the side which won the FA Trophy at Wembley Stadium. Johnson played a major part in Town's promotion via the Vanarama National League North play-offs in the 2016-17 season.

Starting his career with Stoke City's youth setup, the 6ft 7 goalkeeper joined Port Vale in 2007 where he went onto make 22 league appearances between 2011 and 2017. During his time with Valiants Johnson spent time on loan with: Stafford Rangers, Alfreton Town, Gateshead as well as The Shaymen. Johnson was an ever present for the club in 2018/19 as he kept 19 clean sheets.

TOM BRADBURY

A CENTRE HALF WHO SIGNED FOR HALIFAX IN THE SUMMER OF 2020.

Bradbury began his career in the MK Dons youth setup, before signing for Bishop's Stortford – which proved to be a short spell as he later joined Banbury where the ball-playing centre half spent just over 6 months. Spells then followed at Dundee & York City before a move to Huish Park. Bradbury showed a desire to impress in his first season with the Shaymen, as he helped the side defensively but also offensively – scoring on several occasions.

LUKE SUMMERFIELD

ANOTHER SHAYMAN WHO SIGNED IN THE SUMMER OF 2020

Summerfield joined after two years with Wrexham. Luke got many plaudits for his first season at the club which towards the middle end was abrupted by injury, but he still managed to have a strong end. He began his career with Plymouth Argyle, where the central midfielder played more than 75 league games over six years at the club – and had loan spells with AFC Bournemouth and Leyton Orient.

Summerfield has also turned out for Cheltenham Town, Shrewsbury Town, Grimsby Town, Macclesfield and York City. The 33-year-old once had a trial with Chelsea FC, whilst a Plymouth player – he went on the trial alongside two of his teammates at the time – Scott Sinclair and Dan Gosling.

JAMIE ALLEN

BORN IN PRESTON, ALLEN IS A FAST AND VERSATILE FORWARD WHO IS INTO HIS THIRD SEASON WITH THE SHAYMEN.

The Montserrat international scored five goals for FCHT last season. He began his career at Fleetwood Town in 2012, before taking in loan spells at Barrow & AFC Fylde. He then joined Stalybridge Celtic in 2015, before moving on to Southport – then Dover Athletic in 2017. He signed for Town in July 2019 after cancelling his contract by mutual consent at Dover.

BROMLEY AWAY POSTCARD

I always enjoy a trip to Bromley and for Saturday's game, I was joined by my Dad. As I was moving back down to London for my Masters, we had a place to stay which allowed my Dad to have a day off from driving. We got the train from London Victoria around 11:40 which got us to Bromley by midday. This gave us plenty of time to head to the Spoons across the road, have some lunch and soak up the sun in the beer garden. We headed to Hayes Lane around 14:00 giving us time to get a programme and watch the warm ups before the game. The terrace filled up nicely as kick-off approached and before we knew it, the game was underway.

Bromley started the game on the front foot but we had chances ourselves, with Mason Bloomfield and Adam Marriott coming close to scoring. Unfortunately, on 19 minutes we were hit with a story too familiar this season as the opposition were given a penalty. From where I was stood, it looked like the foul happened outside the box and should've been awarded as a free-kick. However, Cheek stepped up for the hosts and slotted it away to give them the lead. The half carried on quite evenly and we had our chances, but we went into half time 1-0 down. The sun was too hot for my usual hot chocolate and the teams were soon back out ready for the second-half. We had a decent start to the second-half, but Bromley were able to double their lead on 62 minutes with a header into the top right corner. We did try and push forward through the rest of the half and Sesay played exceptionally well in doing so, however we were unable to find a net. The game ended 2-0 to the Ravens.

After the game, we took advantage of the fact Dad wasn't driving and joined some of our fellow fans in a couple of local pubs for some more drinks and a debrief of the afternoon. My Dad and I headed back into London around 20:00 giving us plenty of time to get some tea and enjoy a night around London. We had some final drinks and a walk by the River Thames before getting the tube back to my new flat, arriving home around 1:00 in the morning. Despite the loss, it was a lovely day out with the Barnet family!

HEAD TO HEAD WITH FC HALIFAX TOWN

Barnet FC have played Halifax Town AFC (up to 2008) and FC Halifax Town (from 2008) on a total of 26 occasions, winning on 11 occasions, drawing seven times and losing eight games. Their record against Halifax Town AFC, who dissolved in 2008, is better than their record against the reformed FC Halifax Town. All the games against both clubs were league games: 10 in the fourth tier of the Football League and 16 games in the National League (under various league names).

The games against FC Halifax Town, the current club, have seen the Bees come out on top twice, with the Shaymen winning five games as three games ended in a stalemate. All five of the home games against the reformed Halifax have been at The Hive London, with Barnet winning two, Halifax one and two ending all square. The Shaymen have not won at Barnet since April 2014, when they beat the Bees 4-0 and scuppered Barnet's dwindling chance of making the play-offs that season. Martin Allen, who had been appointed manager the previous month, has subsequently spoken about how that game was pivotal and how he then set about building the team that won the league the following season.

Last season saw Barnet FC lose at the Shay 5-2 in December, with goals from Wes Fonguck and Inih Effiong. However, in the home game in February the Bees won 2-1, thanks to goals from Michael Petrasso and Anthony Wordsworth; Jeff King scored for the Shaymen. All three goals came in the first-half. The Barnet team for the most recent match was: Scott Loach, Myles Judd, Liam Daly, Harry Taylor, Jerome Binnom-Williams, Ben Richards-Everton, Michael Petrasso (Ephron Mason-Clark), Anthony Wordsworth, James Dunne, Courtney Baker-Richardson (Muhammadu Faal), JJ Hooper (Xander McBurnie).

The highest attendance for a game between Barnet and FC Halifax Town is 2,150 for the game at The Hive London in 2014/15. The highest at the Shay was 1,941 in 2019/20. The biggest gate against Halifax Town AFC was 4,837 at Underhill in 1991/92.

Curtis Weston is the Bees' leading scorer against FC Halifax Town, with three. Wes Fonguck has netted twice against the Shaymen.

Both Jerome Binnom-Williams and Jake Hyde have played for both teams in this fixture. Jerome turned out for the Bees in both games against FC Halifax Town last season, having played for Halifax against Barnet in 2019/20 (he had also played for Chesterfield against Barnet earlier in his career). Jake played for the Bees against Halifax in both games in 2013/14, and for the Shaymen in both games last season, scoring once (he has also played against Barnet for both Woking and York City).

CLASSIC ENCOUNTER WITH THE SHAYMEN

CLASSIC ENCOUNTER WITH THE SHAYMEN

On 11 April 2015, Barnet FC beat FC Halifax Town to remain at the top of the Vanarama National League table. There were only two games of the season left after this match and Barnet, of course, went on to win the league on the final day against Gateshead. This turned out to be a crucial victory.

The Bees had shared the spoils less than a month earlier at The Shay Stadium and Halifax needed a win to keep their promotion hopes alive, so it was a must-win game for both sides. Sam Toggwell and Andy Yiadom regained their place in the Bees team, at the expense of Lee Cook and Sam Muggleton, and the starting XI then remained unchanged for the final two games.

Mauro Vilhete, the two-goal hero in the final game of the season, put Barnet ahead after just two minutes. Playing towards the South Stand, Yiadom had a shot from just outside the box blocked by a defender and Vilhete struck the rebound high into the net from about nine yards out, giving Halifax 'keeper Matt Glennon little chance. Later, Conor Clifford hit the bar from well outside the area and John Akinde had a penalty appeal turned down.

Barnet doubled their lead a couple of minutes before half-time through Akinde's 31st goal of the season. He pounced on a poor back pass that resulted in pressure from Vilhete who slotted the ball gently into the corner.

In the second half, Barnet continued to dominate and Curtis Weston got the third goal in the 61st minute. Yiadom played the ball forward to Weston, who plucked it out of

the air on the edge of the box and made a short pass to Michael Gash on the left. Gash passed the ball across the box to Vilhete on the right, who laid it off to Yiadom. Yiadom dribbled into the box, beat a defender, crossed to Weston and he finished from just outside the area.

Vilhete, Luke Gambin and Charlie MacDonald could have extended the lead in the final 20 minutes. Nonetheless, the result set the Bees up nicely for the final two games of the season.

AND CURRENTLY

If Ephron Mason-Clark plays a part in today's game, it will be his 150th appearance for the Bees. To date, Ephron has made 92 starts and come on as a substitute on 57 occasions, scoring 14 goals in the process. He made his debut almost exactly five years ago (on 4 October 2016) in a Football League Trophy game at home to Norwich City U23s. In total, 98 of Ephron's appearances have been with Harry Taylor. His first goal came against Bath City in the FA Trophy on 15 December 2018 and during the 2020/21 campaign, Ephron made 44 appearances, more than any other player apart from Harry Taylor, who achieved the same number.

Based on statistics in Rob Cavallini's book, "A history of Barnet FC: Part Five", that puts Ephron in the all-time top 100 appearance makers for Barnet FC. He has also made more substitute appearances than anyone except Mauro Vilhete and Liam Hatch.

Other notable ties include Marine, who reached the third round proper last season, being away to Atherton Collieries, Chester away at Marske United, Gateshead away at Runcorn Linnets, York City vs Whitby Town, Guiseley vs Blyth Spartans, Spennymoor Town vs Southport, Leiston, our fourth qualifying round opponents last season host Tamworth, Maidstone United vs Dartford, Jersey Bulls vs Chertsey Town, and Dorking Wanderers vs Weston Super Mare.

With the second qualifying round taking place last week, the first-round proper draw of the FA Vase took place this week, with ties set to take place on 23rd October. Local sides in action include Ruislip based Hilltop being at home to Tunbridge Wells, North Greenford United hosting Ash United, London Lions entertaining Thetford Town, Redbridge being away at Newmarket Town, Baldock Town at home to Hillingdon Borough, Buckhurst Hill going to Great Yarmouth Town, Hoddesdon Town vs Gorleston, Ardley United vs Tring Athletic, London Colney vs Newport Pagnell Town, Norwich United vs New Salamis, Ilford vs Shefford Town, Whitton United vs Cockfosters, and Harefield United vs Kent Football United.

After parting company with Danny Searle last week, following their poor start to the campaign, Aldershot Town have appointed Mark Molesley as their new manager. The 40-year-old from Hillingdon started his career playing got Hayes, later turning out for the likes of Cambridge City, Aldershot Town, Stevenage Borough, Grays Athletic, AFC Bournemouth, Aldershot Town, Plymouth Argyle, Exeter City and Weymouth.

He would later manage AFC Bournemouth's Under 15 and Under 21 sides, Weymouth three times on separate spells and most recently Southend United, departing in April.

Molesley has appointed Tom Prodomo and former Aldershot Manager Terry Brown as his assistants.

Recently on the move is former Bee Keanu Marsh-Brown, who has made his move to the Middle East. Having joined Wrexham in April, he was not offered another contract by the National League side.

He has since signed for East Riffa Club, based in the city of Riffa in Bahrain, who currently play in the Bahraini Premier League. The Guyana international, who also has England Under 16, Under 17, and C caps to his name, came through the academy at Fulham, but failed to make a single first team appearance. After loans at MK Dons and Dundee United in 2011, he moved to Oldham Athletic and Yeovil Town, spending short times at both.

He then moved to Barnet FC towards the end of the 2012/13 season, scoring the winning goal against AFC Wimbledon on his debut, and playing 78 minutes of the final match at Underhill, coming off for Harry Crawford. He left for Forest Green Rovers in 2015, helping them win promotion to League Two 48 months later where he scored in the National League playoff semi-final vs Dagenham and Redbridge, and played 61 minutes in the final vs Tranmere Rovers.

After a loan at Dover Athletic and a move to Newport County, he moved to the USA with Memphis 901, before returning to England with Gloucester City then Wrexham.

Another former Bee on the move in recent weeks is Mark Marshall.

Starting out at Carshalton Athletic, he went onto have spells at Grays Athletic, Eastleigh, Swindon Town and a loan at Hereford United, before arriving at Underhill in 2010.

He would score 10 goals in 84 games over the next two seasons, before serving a suspension for taking a banned substance. Marshall returned to playing in 2014 with Coventry City, before spells at Port Vale, Bradford City, Charlton Athletic and Gillingham.

He then signed for Northampton Town in January 2020. The Jamaica born winger returned to League Two last week, signing for Crawley Town on a one-month rolling contract.

Joey Barton, Manager of Bristol Rovers, has said that his players must “put up or shup up”, after their recent poor form.

Barton took over at the Pirates in February, with the side having only won six times since, all of which have come at home.

Only three of those wins have come in League Two this season, and along with a draw leaves the side in 18th place, three points from the relegation zone, having been relegated from League One last season.

Over the summer, Barton saw 21 players depart, with 17 new players arrive at the Memorial Ground.

MATCH REPORT

THE BEES SECURED THEIR FIRST THREE POINTS OF THE SEASON — BEATING WEYMOUTH FC 3-1 AT THE HIVE LONDON.A

The visitors had the first chance of the afternoon as Josh McQuoid's cross into the box was cleared behind by Sam Beard. Sean Shields put the resulting corner into the box as it pinballed around before falling to Tyler Corder who drove his low effort into the arms of Sam Sargeant.

Dean Brennan's side responded with an impressive spell of pressure. Mitch Brundle picked up the ball on the edge of the box before finding Sam Beard towards the byline who fizzed the ball towards the near post only to get cleared behind.

The resulting corner found Kian Flanagan who turned away from his defender and unleashed a powerful strike that was blocked away..

Brian Stock's side almost opened the scoring after 15 minutes when Josh Leslie-Smith latched onto the end of a deep cross into the box, but ended up volleying wide from close-range.

Following a spell of Bees pressure, the Terras had another chance to break the deadlock in the 26th minute when Cam Murray passed the ball out wide to Shields who played the ball towards goal only to be denied by Ben Richards-Everton who was there to clear away off the line.

Sean Shields looked to cause the Bees' backline more problems when Josh McQuoid fed him the ball just inside of the penalty area. Weymouth's No. 32 looked up and saw his deflected shot fly into Sargeant's gloves.

The Bees took the lead in the 33rd minute after Josh Payne placed his corner onto Mitch Brundle's head, who thumped his header into the top left corner to give the 'keeper no chance and go into the break with the lead.

Brundle almost added his and the Bees' second of the afternoon after he did well to get on the end of a looping forward pass into the box. The No. 8 watched the ball drop over his shoulder before flicking goalwards and forcing a smart save from Fitzsimons.

Dean Brennan's side continued to further extend their advantage and almost did after Mason-Clark weaved his way

into the box from the wide angle and blasted a shot towards the near top corner to make the Terras' stopper palm behind.

Payne took the resulting corner and floated the ball into the centre of the six-yard area to Mason Bloomfield who leapt above his defender to send his header just over the crossbar.

Weymouth almost levelled in the 58th minute after they crossed into the box before the ball fell to Andy Robinson who blasted his first time effort just past the upright from 20-yards out.

The Terras found the equaliser in the 70th minute as Shields picked up the ball down the left flank before curling his cross to Brandon Goodship who flicked his header into the bottom corner, beyond the outstretched arms of Sargeant.

With 11 minutes left to go, the Bees retook the lead as Daniel Powell won the ball high up the pitch before bringing the ball in-field and laying it off to Adam Marriott.

The 30-year-old took it past a defender and slotted calmly into the back of the net to score his second of the season.

Dean Brennan's side rounded off a spectacular afternoon when they added a third in the 85th minute.

Sam Beard whipped the ball over to Richards-Everton whose towering effort bounced down off the crossbar and into the goal.

Marriott was on hand to tap the ball into the empty-net but the linesman had already awarded it to the defender.

WALKING FOOTBALL

MIDDLESEX FA AWARD

MIDDLESEX FA GRASSROOTS PROJECT OF THE YEAR AWARD 2021, THE BARNET FC WALKING FOOTBALL TEAM

We are incredibly proud to receive this FA award because it is an amazing achievement for our team. 2021 has been a sad and difficult year for many of us but the team worked amazingly hard in our community from the early days of the pandemic, fundraising for Age UK, Dementia Club UK, Mind Mental Health, Harrow Bereavement Care and the local food banks.

We also worked with OneStonegrove and the Mesut Ozil Warmer Winters Project delivering thousands of fresh cooked meals to children in need through our community.

We looked to improve the well-being of our own group as we returned from lockdown not only through football, but by organising a monthly walking group led by Mike Moate & Kevin Ziants. As well as this, we set up a cycle group with Bill Charge and also our new gardening group that has started helping Colindale Community Garden in growing fresh produce for their local food bank.

We would like to thank all at Barnet Football Club for their amazing support including Howard Bloom & Rikesh with our digital programme page, Andreas Georgiou for the pitch bookings, Connor & Daniel from the Hive Foundation, the amazing Hive Bar staff, Akhmed who hunts down our wayward shots, and of course, BFC Chairman Mr Kleanthous for his continued support of community walking football.

Thank you from us all at the Barnet FC Walking Football Team.

Paul Douglas Loyal Supporter

Today marks 75 years of fantastic support from Paul Douglas who came to his first Barnet FC match as a schoolboy back in 1946!

Paul has been in attendance ever since and has Season Membership Cards with his beloved wife Maureen and son, Nick.

To thank them for their loyal support over the years, Paul and Maureen will have a 'meet and greet' with our Interim Head Coach Dean Brennan today as well as being shown to their seat by the one and only Mr Bumble!

We would like to take this opportunity to thank you all for your super support and look forward to welcoming you back at The Hive London in the years to come!

Paul Douglas' Bees Memories:

"I started primary school in 1939 at the start of World War Two with no male teachers. As a result, I never played football.

"My father followed Barnet FC and took me to see them occasionally on a Saturday.

"I remember many times watching Barnet on Saturdays at home because they opened the exit gates soon after half-time so that people could get in free.

"At University I continued to play rugby and afterwards until 1963 when I was forced to give up playing by injury. I continued my involvement in rugby as a Hertfordshire referee until 1994.

"During this time, I saw a few football games at Barnet, including the Easter and Christmas matches against Finchley and Enfield.

"I remember a game at Christmas when the Bees won a corner against Enfield. Eddie Hawkins came over to take the kick and took a swig from a Scotch bottle offered to him by a spectator.

"I also recall travelling to the North East on a Supporters Association Special Train from New Barnet station direct to Spennymoor or Ferryhill and on arrival, we were told the game had been called off due to fog!"

Deirdre Grist

"My wife Deirdre Grist sadly died in March 2020 after bravely battling a long illness. She started following the Bees after marrying into a family that has supported Barnet since 1956. Deirdre became the most devoted of us all, always coming to support the Bees whatever the weather. Her favourite match was the FA cup win over Sheffield United, which she attended despite her ill health.

Deirdre had a special routine on match days, and fitting for the schoolteacher that she was, was always in charge of the tickets, drinks and snacks. She amused us all by shouting 'give him a ticket' when unhappy with one of the opposition players. Her favourite player was Giuliano Grazioli, coincidentally a past pupil of Finchley Catholic High School where she last taught, and where she was well known for engaging (and impressing!)

The students there with her football discussions, including the fortunes of Barnet FC.

Deirdre was loved by us all and much missed"
